AVEY

The local choice for  
EPPING HEMNALL

**ACTION FOR YOU ALL YEAR ROUND**

**Nigel Avey** served with his father on Epping Town Council and was always impressed by his single-minded devotion to the Town and its people. Nigel says: "As his son I hope to carry forward his work and stand up for what my father valued. He was first and foremost interested in local people and local issues. I intend to continue his work so my first priority is to ensure that the Town remains a pleasant and vibrant place to live."

**WHY YOU SHOULD VOTE FOR ME AND THE CONSERVATIVES:**

**Parking and Paving** remain of great concern to so many local people. The Lib Dem County councillor does not seem to be able to get things done and we have unfilled potholes and lack of action on parking issues that blight some of our local roads. Nigel is determined to make a difference: "My father fought very hard to resolve the ongoing commuter parking problems facing Epping. If elected I will be able to continue his work, listen to residents and look for viable solutions that will help improve parking."

As Chair of Epping Town Council's Planning Committee Nigel has sought to ensure that the **views of local people are heard in the planning process**. He says: "I intend to carry on this work if elected to the District Council and to make sure that future development is proportionate and does not detract from the Town's character."

**The Green Belt** surrounding Epping must be preserved and local concerns must be responded to.

Nigel promises: "I will fight to protect it and help ensure that current settlements remain separated and that any development is appropriate for our community. I need your support to make that difference."

**Nigel promises to:**

- ✓ continue to work hard for Epping Hemnall
- ✓ improve parking and mend pavements
- ✓ listen, campaign and deliver
- ✓ protect our green belt
- ✓ oppose overdevelopment in our area
- ✓ fight to protect our Town's character
