**ACTION FOR YOU ALL YEAR ROUND**

New York born **Ricki Gadsby** has lived in Waltham Abbey for 27 years and is married to Nick, a local solicitor. She has been your District Councillor for 12 years, Town Councillor for 10 years, and County Councillor for 2 years and was Mayor of Waltham Abbey for 2 years.

Ricki, an avid walker and golfer, enjoys the rural environment of our District, Epping Forest and the Lea Valley Regional Park.

**WHY YOU SHOULD VOTE FOR ME AND THE CONSERVATIVES:**

During my time in office as your Councillor, I have represented residents to the best of my ability and been active on the issues that matter to you, sitting on several committees that serve the needs of the community.

I recently successfully campaigned to have the gates in the Market Square repaired, in order to prohibit illegal parking there, ensuring the safety of pedestrians and helping to maintain the character of Waltham Abbey.

I was thrilled to be involved in the first Council housebuilding programme for 30 years, for the

people in the District who have lived in the area for at least three years, starting in Harveyfields. Affordable houses for the local people.

I am also very aware of the need for carers, of all ages, and the support they need. As your representative on Essex County Council, I have worked on the 'Essex Carers Strategy 2015 to 2020'. The strategy will provide a new model which will ensure that needs of carers really count in Essex.

Finally, I have worked to secure a replacement bus service to come into operation as soon as the 505 service is closed by Arriva. This

should safeguard the travel arrangements for residents who need this service contrary to ill informed rumours.
